VISION FOR THE CREATIVE STUDIOS

A wide-angle photograph of a modern, bright creative studio. The space features a polished concrete floor and a high ceiling with exposed pipes and lighting fixtures. A prominent feature is a large, curved white wall on the left side. In the center, a tall white pillar supports the ceiling. To the right, there is a dining table with four white chairs. Further back, a desk with a laptop, a whiteboard, and a vanity mirror with lights are visible. The overall atmosphere is clean, professional, and inspiring.
